

# 'Jesus Redeems' Missionary Ministries!

Based on certain reports, it is evident that the **gospel has yet to reach 45% of the population** out of India's total of **146 crores**, with approximately **4 lakh villages still lacking churches** among the 6.65 lakh villages in the country.

Following the command of our Saviour, Lord Jesus Christ, who instructed, **"Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you"** (Matthew 28:19-20), the Missionary ministry of Jesus Redeems is dedicated to proclaiming the gospel throughout India.

## Missionary Ministry

Currently, through partnerships with **80 missionary organizations**, support is provided to **896 missionaries** in North India, **480 children of missionaries**, and **500 missionaries in Tamil Nadu**.

Efforts are being made to strengthen their ministry by constructing churches in villages where none exist and providing essential resources such as four-wheelers, two-wheelers, bicycles, projectors, and sound systems to enhance their outreach activities.

**The Holy Bible** is also distributed to newly converted Bhil Adivasi people **in their**

**native language** to guide them towards Christ.

Additionally, **sewing machines** and **tools for small-scale industries** are offered to impoverished and underprivileged communities in those areas to uplift their livelihoods. Practical necessities and basic conveniences are also arranged to support their everyday lives.

## Churches!

Through the Jesus Redeems missionary ministry, we are actively involved in **constructing churches** in several North Indian missionary bases to provide saved children of God with a place to gather and worship.

So far, we have contributed to the construction of **626 churches**. Among

these, **463 churches** have been **completed and dedicated**, while **construction work is**

Our brothers with Shalom Bishop -  
Rt. Rev. Devadoss

**ongoing** for the remaining **163 churches**.

Additionally, as the number of new believers continues to grow in some of the existing churches, especially in areas where services are being conducted, expansion projects are being undertaken to accommodate more souls.

## Village Missionary Ministries in Tamil Nadu!

The **Village Missionary Movement**, based in **Virudhunagar**, Tamil Nadu, is actively **sharing the gospel across various villages**. As part of the Jesus Redeems ministry, we are **extending monthly support to 500 missionaries**.

So far, we have donated **four TATA Magic vehicles** to aid their efforts. Additionally, we are producing **thousands of gospel tracts every month** to spread the message. The ministry has **shared the gospel in over 6,120 villages** throughout Tamil Nadu.

A **residential hostel for missionaries** has been constructed in Virudhunagar, costing **Rs. 20,00,000**, to provide them with a place to stay and **carry out their ministry** effectively.

## In The Mountainous Rohtas Area – Bihar!

Through the GEMS missionary organization, missionaries are declaring the gospel while also engaging in **charitable works** and educating children in **Rohtas**, Bihar—a remote mountainous region lacking basic amenities like electricity, roads, and housing.

With prayerful efforts, our Jesus Redeems ministry is offering some support to them and implementing these initiatives cautiously.

Furthermore, we are aiding **certain missionaries** and supporting **Adivasi children** as part of our commitment.

In a region without electricity supply, GEMS has set up a solar power plant costing Rs. 40,00,000 to provide energy for a school run by their organization.

Similar missionary endeavours are ongoing in East

60 Bicycles distributed

Bihar under the Harvest Apostolic Ministries, where **60 bicycles** have been distributed to missionaries to help them travel across villages for their work.

Additionally, a multi-purpose hall has been constructed in this area at a cost of **Rs. 20,00,000** to facilitate gatherings and fellowship.

## Gospel Mission In West India...

The **Gospel ministry** is also progressing through the efforts of **Shalom Missionary Ministry** among the **Bhil Adivasi communities** in states such as **Rajasthan, Madhya Pradesh, and Gujarat**. Through this initiative, tens of thousands of Adivasi people are learning about Jesus Christ.

Moving forward, we are intensifying our efforts to spread the Gospel across three states in the next five years. We are sharing this divine vision with churches, independent servants of God, and various missionary organizations within these regions. Our goal is to collaborate with them in proclaiming the Gospel, and plans are actively being implemented to support this mission.

In the initial phase of this work, **two-wheelers** have been provided to missionaries to facilitate their outreach efforts. Furthermore, dedicated and capable servants of God have been identified within these three states and are being **trained to effectively carry out this mission**.

As part of this mission, a **school** is currently operating in Khunta Chatra, a village in Rajasthan, under the **Shalom Missionary Ministry**. The school aims to provide education

to Bhil Adivasi children, ensuring they have access to knowledge and opportunities for growth. Additionally, a **hostel** has been built at the cost of Rs. 45 lakhs so that students can stay and study.

## Gospel Mission In East India

A focused effort is underway to spread the Gospel across all states in East India between 2026 and 2030. As part of this mission, intensive evangelism initiatives are being led in **Bihar, Jharkhand, Odisha, Chhattisgarh, and West Bengal**. Currently, **84 dedicated missionaries** from various organizations are fully engaged in this important ministry.

To support this vision, **millions of Gospel tracts and books** are printed monthly, with significant financial resources being allocated to sustain these efforts.

You are invited to be a part of this inspiring mission. **Contribute through your prayers, assist with the printing of materials, or provide financial support to the missionaries.**

By working together, there is hope to reach over 50 crores of people with the Gospel by 2030, fulfilling a shared vision of faith and purpose.

## Current Needs Of This Ministry...

In order to proclaim the gospel more effectively in three villages, there is an urgent need for **three Tempo Traveller vehicles** along with the printing of **millions of gospel books and tracts**.

We kindly request your support for this missionary ministry through your prayers and financial contributions.

We urge you to **pray for the missionary ministries** being conducted in the North Indian states. If you feel led by the Holy Spirit, you may choose to **support a missionary on behalf of your family or organization** or contribute towards the **construction of churches** in these areas.
